Satellite Symposia

- Satellite Symposia are an opportunity for sponsors to host their own session at Congress, with slots available during lunch breaks or in mornings before the scientific programme begins each day.
- Sponsors of satellite sessions will be listed in the congress programme.
- The satellite programme details will be posted on the congress website, and will be included in the programme book and on the congress mobile app. (*)
- Included: room rental/standard audio-visual equipment/1 display table outside the room.
- Not included: speakers registrations, catering and interpretation services can be booked separately.

(*) Programme content to be approved by the organiser.

Please note that other congress scientific educational programmes may take place at the same time.

Partner Session

ICM partners may apply for a designated partner session within the concurrent sessions of the scientific programme. There are 12 sessions available and ICM will review all applications before confirming so as to ensure a spread between partners and topics. Partners may be limited in the number of sessions each can have.

- Partner sessions will be listed in the congress programme and included in the concurrent sessions.
- Abstracts will be required as part of the selection process. Please see separate Call for Abstracts for guidance on preparing request. Selection of partner sessions will be completed by September 2025. Early contact with ICM would be appreciated.
- Included: room rental/standard audio-visual equipment; interpretation services for sessions in Plenary Hall.
- Partner sessions will be selected and managed by ICM Head Office.
- · All partners must register for the Congress.
- Please contact ICM Congress Coordination Consultant: <u>s.pairman@internationalmidwives.org</u>.

Place	Price	Limitation
Plenary Hall – up to 1,500 persons and including inter- pretation into French, Spanish & English	€15,000 per sessions	Maximum 4 sessions
TBD -up to 390 persons, no interpretation	€10,000 per session	Maximum 4 sessions
TBD -up to 150 persons, no interpretation	€7,000 per session	Maximum 4 sessions

Seize this unique opportunity to save your spot in the ICM Practice Village where you provide hands-on workshops with your company equipment. Midwives will have the opportunity to participate in a hands-on workshop in the exhibition area and receive training on the equipment. ICM Practice Village is available only as an upgrade to title partners (Premium, Gold, Silver, Bronze) or exhibitors.

Price € 400/sqm

Please indicate the raw space necessary for each station – including sufficient room for visitors to move around.

Training Village Station Includes:

- · Company listing on the ICM congress website
- Company profile in the final programme and in the Conference app.
- 2 Complimentary exhibitor badges (per station)
- Welcome Reception entry
- · Coffee and lunch breaks
- · Standard chairs and tables per sqm

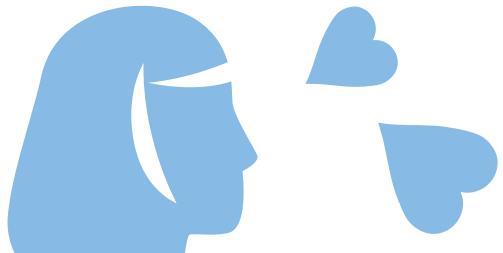

Please Note: AV equipment (including TV screens, sound systems, etc.) is not included and must be ordered separately. Each 6 sqm station will be provided with one table and four chairs only.

The exact scheduling of activities will be coordinated with ICM SPPC based on the final congress program. Depending on demand, dedicated time slots for the Training Village may be allocated; otherwise, activities can take place during coffee breaks and lunch periods.

Each Practice station is organised by the company, which brings the medical equipment and training staff. Free to Congress participants, the schedule, pre-booking and Practice session will be directly managed by the company.

Should you wish to move forward, we kindly ask you to fill in the form which will be submitted to the SPPC for review. We require a description of the Practice station and learning objectives. Deadline September 2025.

Kindly note that this is an educational activity and not a DEMONSTRATION OF COMMERCIAL PRODUCT.
